Mrs Burch

Introducing

Our fantastic new Early Years teacher is making exciting updates to Reception's curriculum, including Forest Schools! Mrs Burch is passionate about all children achieving their potential and learning through adventure and play!

TRIPS

With rising costs of petrol and bus hire, as well as tickets for events, we can only continue to provide trips with payments for all children. We aim to provide all children with an educational visit throughout the school year to enhance our curriculum and use money from our budgets and fundraising events to subsidise these as much as possible. However, when signing children up to trips via Arbor, parents must also make payments as these are no longer voluntary. Parents whose children are eligible for free school meals may be eligible for some support with payments. Please speak to Mrs Hanlon to find out if you qualify for free school meals and pupil premium funding for your child. Even if your child receives free meals in Key Stage 1, please check if they are eligible beyond this as we receive vital funding for school for each pupil.

If you shop in Asda, please consider downloading the Asda Rewards app to choose Leverington Primary Academy in the Cashpot for Schools reward system. Asda will make a donation to school every time you spend at no extra cost to you! A huge thanks to those who have already started scanning.
